reference for understanding and selecting the benefits plan that works best for both your employees and your company." "Will managed health care plans deliver health care that is affordable for your company, and still acceptable for your employees? When is a defined contribution pension plan superior to a defined benefit plan, and why? "When questions arise concerning employee benefits, questions which must be answered on the spot, it is imperative that you have this accepted and trusted informational volume at your fingertips. Jerry Rosenblum's The Handbook of Employee Benefits, Fourth Edition, remains the one and only sourcebook you will need to remain informed and updated on this increasingly controversial and significant topic, and to keep benefit costs down while not short-changing employees."—BOOK JACKET.Title Summary field provided by Blackwell North America, Inc.
